

Get in on the Action!

Warehouse/Industrial

Introducing **GoPet™**, the electric vehicle designed for increased productivity and efficiency in warehouses and industrial plants. Maintenance, order picking and security are just a few of the many applications where **GoPet** can make a difference. With its top speed of 16 mph, a range of over 25 miles per charge and the ability to be used both indoors and outdoors, the **GoPet** is ready for action. **GoPet** features fatigue-fighting rubber foot pads, a wide standing platform for safety and stability plus pneumatic wheels for a smooth ride.

Get your plant or warehouse moving... with GoPet!

Finally, a Personal Transporter that's Economical, Efficient, and Easy to Use!
